README.md

Discussion Board for CS 431/531 Web Server Design Course

Dear students of the [ODU CS 431/531 Web Server Design, Fall 2019, course,](#)

- Add your `CS ID`, `Full Name`, `GitHub ID`, and `Private Repository Name` in the `members.csv` file
- Subscribe to this repository to get notifications for all issues and commenets
- [Create an issue](#) to discuss your course related problems and finidings with everyone in the class
- Periodically check and participate in [posted issues](#)
- Only email your instructor for private matters and not for those that could be of others' interest too
- Create pull requests if you have prepared any resources that you would like to share with others

You Can Delete Your Fork of the Discussion Repository When Your Record Is Merged

But if you want to keep it, that is OK too

CS 531 WebServer Deployer and Tester

https://cs531.cs.odu.edu

CS 531 WebServer Deployer and Tester

A deployment and testing system for the [CS 431/531 Web Server Design, Fall 2019](#) projects. The system utilizes a [Docker](#)-based setup for both, this testing/deployment system as well as deploying students' projects. The code behind this system is available at <https://github.com/ibnesayeed/webserver-tester>. Please feel free to report issues and contribute.
